Hi, I'm Cassie. I'm not too tall and I'm not too short, so I would say I'm the middle somewhere. I have black hair and I have a friend here with me. His name is Cody. He is tall and has brown hair. We both will be trying to find ways to save the world so we will be going on a journey to find out the ways.

We will have 3 obstacle while we are looking for way to save the world.

Want to hear the obstacles?

Sure?!

Just kidding I don't even know them, we will have to see on our way

"Look ahead! It's a river. How are we going to go over that?!" Cody screamed.

I have an idea

What is it? Better be good! Why did I agree to go one this journey with you anyway?

Why don't we swim to get to the other side

" NO! HAVE YOU GONE CRAZY OR WHAT!?! CAN YOU EVEN SWIM? WHAT ARE WE GOING TO DO IF WE DON'T KNOW HOW TO SWIM? WE ARE GOING TO DIE IF WE DON'T KNOW HOW TO SWIM" Cody screaming and yelling at me.

WOW calm down

ME TO CALM DOWN! PLZ! WE ARE BOTH GOING TO DROWN IF WE CAN'T SWIM TO GET TO THE

## OTHER SIDE OF THE LAND

You have a better Idea than swimming?

NO? WHAT SHOULD WE DO NOW?

Swim to reach the other side I guess?

Fine we'll swim to the other side because none of us have any better idea

Once we got to the other side of the river. We kept walking and walking. Until we both saw a giant rock blocking the walking trail. Many trees around us. Only me and Cody walking on the trail. Slient.

What?Really?Why?

What are we going to do now Cody?

I don't know!?

Well think harder Cody!

Oh! I got an idea!?

Ok! tell me Cody!

You know that we are surrounded by trees right?

Yeah of course?Why wouldn't I?

Well why don't we walk to the woods and get to the other side?

Sure?! Why not? Let stick together and not wonder off and get loss. Ok?

Off we go into the wood walking around all the trees to get to the other side.

Look! I think I see the giant rock let's go towards there ?!

Are you sure it is the giant rock??"

Yes I'm sure Cassie's. Don't worry I got this.

Next thing you know we were out of the wood and behind the giant rock in no time! So we continued our hike I guess and next thing you know two clowns come chasing after us. One is named cupcake and the other is named chubby. Both of them were wearing name tags for some reason? They both had chainsaws in their hand coming towards us!

"Ahaha" me and Cody screaming our heads when we saw them.

"What should we do now? We have clowns chasing after us for our life's!" Cody asked.

Next thing you know the clowns came closer and closer and just like that our lives were gone by clowns. It was

too bad that we never got to save the world, like we wished too.
